

## Product Description

The Maize series is an exceptional product with a track record of 7 years in the field. We use the latest technology and continue to raise the bar in terms of housing quality, lamp efficacy, and overall extended lifespan. Using only top quality components such as Rubycon capacitors, explosion proof materials, a water resistant cover, and Samsung LEDs, the Maize series is a market leader.

## Performance Summary

- Samsung 2835 SMD LED with high efficacy >100 Lm/W
- High output and energy efficient, perfect for work sites
- Up to 80% energy savings compared to HID
- Low power consumption is better suited when using generators
- Each unit is 20W LED and 2000 lumens for replacing 150W incandescent temporary lights
- Includes 10' attached 14/2 SJTW injection molded power cord with grounded plug
- Permanent attached cord has spacing between each unit with a maximum of 10' in length
- Complete set includes a convenient orange storage and carrying bag
- Explosion proof housing material suitable for a construction area
- Flame retardant hardened base with iron wire guard for drop protection
- Compact and lightweight compared to traditional fixtures
- Injection molded knockout for suspension
- 360 degree omnidirectional output provides complete coverage
- Internal isolated driver for best heat dissipation
- Driver and heatsink silicone treated for waterproofing and insect reduction
- Aviation grade 6030 aluminum heatsink dissipates heat without a fan
- Fast turn on, no warm up or cold start issues
- Integrative LED design for heatsink and housing
- Polycarbonate diffused lens cover provides dust and water protection
- Rubycon capacitance power and 6KV surge built-in for best protection
- Contains no mercury or lead and cool to the touch
- No infrared or UV radiation
- Generates low heat, reducing your HVAC loads
- High CRI - RA>80 enhances original colors
- Operating temperature: -30 to 40 degrees celsius
- IP65 rated for indoor or outdoor use
- 100,000 hour LED life
- Certifications: CE, RoHS, cUL, UL, DLC
- 3 year system warranty

## MAIZE STRING T10 SERIES

LED Temporary Light

## Models:

- WVD102005: 5 Unit Set - 480 LEDs - 100W Total - 10,000 Lm - 50' Length - 9.2 Lbs
- WVD102010: 10 Unit Set - 960 LEDs - 200W Total - 20,000 Lm - 100' Length - 18.4 Lbs
- WVD102015: 15 Unit Set - 1440 LEDs - 300W Total - 30,000 Lm - 150' Length - 27.6 Lbs
- WVD102020: 20 Unit Set - 1920 LEDs - 400W Total - 40,000 Lm - 200' Length - 36.8 Lbs
