

# Use Manual of Led Shoebox Light

## Product Introduction:

Welcome to purchase our led Shoebox Light, which is with imported high-brightness SMD3030 led chip, with unique high purity die-cast aluminum heat sink, and high efficiency constant current or constant voltage driver. Ideal product for parking lot, street light, road light and similar applications.

## Product Features:

- ☆ The material of heat sink is high thermal conductivity die-cast aluminum, good for heat dissipation and the surface is anti-static.
- ☆ The unique design of housing helps to speed up the heat dissipation, further ensuring the life of the fixture. The integrated design of appearance makes the fixture look elegant.
- ☆ This fixture is waterproof, dustproof, and anticorrosive.

## Warning:

1. Please read the manual carefully before installation.
2. Please authorize only qualified person or professional engineer to install the fixture.
3. Before installation, please check if the local voltage range corresponds with the working voltage of the fixture.
4. If the fixture is damaged, it should be replaced by the supplier, a service agent, or a qualified person.
5. Please keep the fixture out of fire, electric shock, vibration.
6. To avoid fire, electric shock.

## Installation instruction:
