Product Description

With a high performance heat sink, exceptional lumen maintenance, and a rock solid housing, the Exite Max will last for many years to come. With a variety of color temperatures and optics, this luminaire can be used in arenas, gymnasiums, airport runways, high mast, shipping ports, or general flood lighting.

Performance Summary

- Philips Lumileds Luxeon LEDS with high efficacy up to 150 Lm/W
- · National listing lab tested with multiple Type V distributions
- PMMA shatterproof clear lens cover for durability and clarity
- Unique micro optic over each LED reduces glare and enhances uniformity
- Solid state with high shock and vibration resistance
- · Instant on and off without delay or re-strike
- · Industrial cold forged 1070 pure aluminum anodized fixture housing
- Smooth electrophoresis surface treatment finish with stainless hardware
- Excellent resistance to corrosion, UV degradation and abrasion
- · Stainless steel hardware to ensure long life
- · Heavy duty adjustable surface mount yoke bracket
- Angle indicators allow mounting adjustment in increments
- · Optional laser guide with bracket for precise aiming is easy to install and remove
- Thermal management by a seamless link of heatsink vents
- Ultra low EMI noise generation eliminates electrical interference
- Integrated 10KV line-to-ground and line-to-line surge protection wired and included
- · Optional aluminum visor dramatically reduces glare and spill
- 5' attached power cord whip and 4' dimming cable for quick and easy installation
- High CRI RA>70 enhances original colors, 80 and 90 CRI optional
- 1/9th micro color binning enables tight color control
- · Hot color targeting ensures color is within ANSI bin compliance
- No lead, mercury, UV or IR radiation
- Integrated Meanwell driver features short circuit, over current, over voltage & temp protection
- Operating temperature: -40 to 50 degrees celsius
- IP66 washdown rated for indoor or outdoor applications
- 100,000 hour LED life (L70B50@25C)
- · Certifications: CE, RoHS, ENEC, SAA, FCC, K08, UL, DLC
- 10 year limited warranty

EXITE MAX

Intense Output For Multiple Applications

LED Dimmable Luminaire

VVDSP600 & VVDSP800 Shown with External Driver & Visor

VVDSP400 & VVDSP500 Shown with Internal Driver & Visor
