

## Product Description

The Industry series is a vaporproof fixture with a choice of mounting configurations designed to replace HID lighting systems up to 70w MH or HPS. This vapor resistant fixture can withstand extreme physical and environmental abuse and is ideal for retail centers, industrial parks, schools and universities, public transit and airports, office buildings and medical facilities. Mounting heights of 8 to 12 feet can be achieved.

## Performance Summary

- Samsung LEDs with high efficacy >80 Lm/W
- USA assembled product with quick warranty support
- Standard design with modern components
- Patented heat dissipation design for optimum efficiency
- National listing lab tested to IES standards with Type V optic
- High lumen maintenance exceeds DOE requirements
- Photometric optic built over each LED for enhanced light distribution
- Solid State with high-shock and vibration resistance
- Aluminum LED boards with copper tracings for best thermal management
- LED array manufactured using a state-of-the-art SMT machine
- Clear heat treated glass globe with diffused option
- A360 extruded ingot die-cast housing and screw on guard with 3/4" NPS
- Repaintable DuPont textured gray architectural powdercoat finish
- Chromate conversion coating for long lasting appearance
- Surface mount design
- Includes weatherproof box with coin plugs
- Rust resistant stainless steel hardware with durable nickel-plating
- High CRI - RA>82 enhances original colors
- 1-10V dimmable driver with surge protection
- Fast turn on with no warm up or cold start issues
- Contains no mercury, lead, infrared or UV radiation and cool to the touch
- Operating temperature: -40 to 40 degrees celsius
- Samsung chip platform with completed 6,000 hour LM-80 test
- 135,000 hour LED life @ L70 tested at 105 degrees celsius
- Certifications: CE, RoHS, CSA, UL - IP66 outdoor rated
- 10 year warranty
