RETURN & PACKAGING TERMS: For items being returned for credit, refund, or defective replacement, etc., pack the item back into its original manufacturer's box along with all parts, accessories, manuals, packaging, etc. If anything is missing, written on, taped, damaged, or defective, we will not be able to replace your item or offer a credit. Once packaged back into the manufacturer's box exactly like you received it, place the item in a shipping box and write your return goods authorization number on the outside of the shipping box clearly, and ship to the address above.

Please note: Any items returned without a Return Goods Authorization Number on the outside of the package will be refused and returned to you. Do not send back merchandise C.O.D. or freight collect. We cannot accept such packages. For your own protection, insure all return packages. Vivid Leds, Inc. is not responsible for returned shipments which are lost, pilfered, or damaged. Shortages or damages must be reported within 10 days of receipt in order to request a warranty replacement.
